WILDERNESS IMAGE

Ruins of a WWI Hospital, Falzarego, The Dolomites, Italy. The remains of a military hospital used by the Italian army during the fighting of World War I sits at the foot of Torre Piccola di Falzarego, a 2416-m peak in the Italian Dolomites, just to the northwest of the mountain road winding its way through Passo Falzarego at 2105 m. Marmolada is seen shrouded in cloud in the distance (46°31'27.3"N, 12°01'29.0"E). Photograph by Tom Edward Mallinson, BSc (Hons), MBChB, PGCHE, MCPara, FAWM.
