Mount Meru

Mount Meru from Mount Kilimanjaro (GPS: 3°04'32.7"S 37°21'06.8"E) during an early morning summit. Mount Kilimanjaro stands at 5895 m (19,341 ft) and is the highest

mountain in Africa. It is one of the 7 summits. A view of the shrinking glacier is seen, with Mount Meru peering through the clouds. Photograph by Jon Conard, DO.
