

2019 *Wilderness & Environmental Medicine* Peer Reviewers

The editors express their sincere appreciation to the following individuals who performed peer reviews for articles submitted to *Wilderness & Environmental Medicine* in 2019. *WEM* serves an important role in bringing thoughtfully reviewed literature to the scientific community. Our peer reviewers play an essential role in ensuring the merit and quality of the manuscripts we publish. Many of these individuals reviewed multiple papers, and some also serve on the editorial board and maintain Section Editor or Associate Editor duties.

(Notes: * *WEM* editorial board member; † *WEM* Reviewer-in-Training.)
